

1

Agenda

DIGITAL YOUTH
Collaborating Young People at Mind

1. Hello's
2. Recruitment Plan (overview from last meeting)
3. Ethics documents (planning ahead)
5. Fun activity

How are you feeling?

2

Recruitment Plan and Strategy

WHO?

Where?

How long?

7

There are many forms...

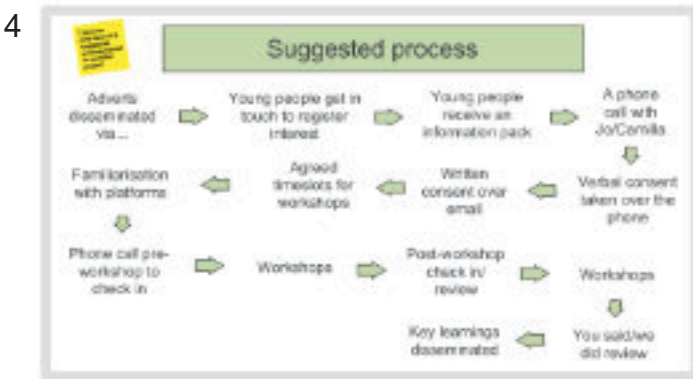

3

Where to reach young people who are hard to reach?

Where?

8

Information sheet examples

9

Information sheet

What are your initial thoughts?

10

Information sheet examples

11

Information sheet

How do different people think about digital health? What are the benefits and risks? How can we make sure we are using digital health safely and effectively?

How do different people think about digital health? What are the benefits and risks? How can we make sure we are using digital health safely and effectively?

15

Fun Activity

HOT DOGS OR LEGS?!

A person's legs sticking out of a hot air balloon basket over a landscape.

12

Information sheet

What information should be included in the sheet?
How should we talk about the potential of digital health around taking part?
What form do you think we should take?
How should the sheet look?

16

Fun Activity

HOT DOGS OR LEGS?!

A person's legs sticking out of a boat on a lake.

13

Reflections

Gibbs Reflective Cycle

How would we expect you to experience a self-examination and what are the benefits to make your experience better?
